

We are pleased to have you here!
We would like to do without
shaking hands for the time being,
but give you our best smile.

Please observe the following hygiene
measures:

-  Please wash your hands thoroughly before
and after the therapy.
-  Keep a distance of at least 1.5 metres between
each other.
-  Please wait in the waiting room or outside, not
in the cloakroom area.
-  In case of symptoms of illness, after
contact with a corona-positive person or
after staying in a risk area, we ask you to
cancel the therapy.
